On this homepage, you will find the **complete [menu](#) of Shanghai** from East London. Currently, there are **29** dishes and drinks available. This eatery offers an attractive menu with reasonable prices and a variety of vegetarian options. While many diners praise the food quality and recommend signature dishes like the Salmon Rose California Roll, others express frustration with service lapses, particularly during busy takeaway hours, which disrupt the dining experience. Ambiance issues arise from noise, while mixed reviews point to inconsistent training among staff. With a few adjustments, such as enhancing customer service and refreshing the restaurant's décor, this establishment could reach its potential as a favored dining destination for both dine-in and takeaway patrons.
