A complete [menu](#) of Grid Grill from Benoni covering all 18 meals and drinks can be found here on the menu. This restaurant offers a mixed bag of experiences for diners. While many praise the extensive menu, reasonable prices, and relaxed atmosphere, some recent visits have illuminated significant service issues. Complaints of burnt dishes, poor management response, and unavailability of advertised specials have surfaced. However, regulars commend the vibrant bar scene, live entertainment, and family-friendly areas, making it a popular choice for celebrations. Recommendations for the peri peri chicken and other hearty dishes abound, although the noisy ambiance may detract from the experience. Overall, it remains a beloved local spot, despite recent inconsistencies in service.
