A **comprehensive menu** of Half Glass Fish Grill from Johannesburg covering all 17 menus and drinks can be found here on the card. Nestled in a charming area, Half Glass Fish Grill has generated mixed responses from diners. While many appreciate its inviting atmosphere and delightful Portuguese cuisine, others report a less favorable experience, citing issues such as rudeness from the owner and limited drink options. Popular menu items, including the renowned chicken and hearty Portuguese rolls, garner praise for their quality, though inconsistencies in food preparation have been noted. Although the ambiance and community spirit shine through, long wait times and service quality seem to fluctuate. Overall, this restaurant remains a love-or-hate destination for those seeking an authentic dining experience.
